-----  
**APPROVAL CONDITIONS:**

1. This determination is good for ONE YEAR ONLY.
2. Should an RI-DEM Wetlands Permit be required, it shall be the responsibility of the owner/applicant to obtain such permits.
3. All operations **must** be performed as presented on the application. The Town Engineer must approve any change or alteration.
4. No earth slopes greater than 2:1 (two-foot horizontal to one-foot vertical) shall be created.
5. To prevent soil erosion and sedimentation **all** disturbed surface areas shall be promptly and effectively protected by using staked hay bales, silt fence or other approved measures.
6. The Building Official’s Site Plans and the Soil Erosion Site Plans **must agree** regarding location of structures and improvements.
7. None of the work allowed by this approval shall be done in any manner as to cause a public nuisance.
8. Approval of this application shall not relieve the owner/applicant from any responsibility for damage to persons or property, nor impose any liability upon the Town of Smithfield for damages to persons or property.
9. **All** work shall be subject to periodic inspections by the Town Engineer or Soil Erosion Officer.
10. A Soil Erosion Permit is **not** a Building Permit. A Building Permit must be obtained in the Building Official’s office **after** soil erosion approval has been obtained.
